

Police Federation of England and Wales Safe Working Procedure - Covid 19

The details in the table below have been implemented as a Safe Working Procedure (SWP) following a Covid 19 Risk Assessment.

This document will be amended and updated as and when any changes in Government and scientific advice are received. Activities may need to be added, amended, or removed depending on the impact of any such changes. Staff and Federation officers/representatives will be regularly reminded of the Covid control measures that are in place and the need to follow all the relevant procedures. Managers will be responsible for ensuring that the appropriate Covid-related procedures are being followed by their staff.

This SWP must be followed by all staff and Federation officers/representatives who attend Police Federation House (PFH).
